TRICOFLEX

Wherever you need commitment.

Turning PVC into a Sustainable Resource

An industrial circularity project, not a single-product initiative.

FROM WASTE TO HOSE

WE CARE TODAY
FOR A BETTER TOMORROW

TRICOFLEX at a Glance

Nearly 70 years of industrial expertise in flexible thermoplastic hoses

Integrated French manufacturer

Designing, formulating, manufacturing and controlling flexible hoses for professional and industrial applications at the integrated Vitry-le-François site.

Serving demanding applications

Agriculture · Food & Beverage · Industry · Construction · Fire Safety
